

[\[the femail touch, big gif\]](#)

[\[the femail touch, smaller jpg\]](#)

'the femail touch' is a black and white logo you can download, print out with a printer, and take to a photo-t-shirt shop to have it put on a t-shirt (anywhere and in any size), or on any fabric you will wear (bags, etc.).

The parrot reflects the colourful and talkative spirit of the list.
